Re: LETTER OF AGREEMENT

Dear Dr. McNamara:

This is to confirm that we fully support and agree to participate in the important follow-up research project, conducted by the Vietnam Education Foundation, entitled ***Observations on the Current Status of Higher Education in Agricultural Sciences, Civil Engineering, Computer Science, Electrical Engineering, Environmental Sciences, Physics, Transportation and Communication at Select Universities in Vietnam.***

This is a follow-up study on the two VEF research reports: *(1) Observations on Undergraduate Education in Computer Science, Electrical Engineering, and Physics at Select Universities in Vietnam,* published in August 2006; and *(2) Observations on the Current Status of Education in the Agricultural Sciences in Vietnam,* published in January 2007. Based on the Ministry of Education and Training's request to VEF, three additional subject areas have been added to this research. In addition, graduate education in these subject areas will be included in the research study.

Sincerely,

Dr. Do Ngoc Vien
Rector
University of Transport Technology
