Dear Dr. Lynne A McNamara,

Warm greetings from Can Tho University!

First of all, we would like to thank you for your kindly concern about Can Tho University (CTU). The relationship between CTU and VEF has been fruitful for years and, such a concern is the evidence for the trustful relationship.

Concerning the letter dated on February 15, 2013 on inviting us to participate in the follow up research, we confirm that we fully support and agree to participate in the important follow-up research project, conducted by the Vietnam Education Foundation, entitled *Observations on the Current Status of Higher Education in Agricultural Sciences, Civil Engineering, Computer Science, Electrical Engineering, Environmental Sciences, Physics, Transportation and Communication at Select Universities in Vietnam*. We also agree to be a participant in the *Agricultural Sciences and Environmental Sciences* with the hope of identifying progress and other opportunities for further advancement. These fields are also our strength assisting the socio-economic regional development.

We hope that through this research, the cooperation between VEF and CTU will be enhanced successfully and we are looking forward to meeting with you to discuss the details.

On the occasion of the Lunar New Year of the Snake, we would like to wish you health, prosperity and success.

Sincerely,

* Assoc. Prof. Dr. Ha Thanh Toan,
Rector
Can Tho University
