Dear Dr. McNamara:

This is to confirm that we fully agree with and support the Vietnam Education Foundation (VEF) in its efforts to conduct the important follow-up research project entitled ***Observations on the Current Status of Higher Education in Agricultural Sciences, Computer Science, Electrical Engineering, and Physics at Select Universities in Vietnam.***

This is a follow-up study on the two VEF research reports: (1) *Observations on Undergraduate Education in Computer Science, Electrical Engineering, and Physics at Select Universities in Vietnam*, published in August 2006; and (2) *Observations on the Current Status of Education in the Agricultural Sciences in Vietnam*, published in January 2007.

Sincerely,

Nguyen Van Bo (PhD)
President
